The application of the Deductible, if any, also may vary based upon the network membership of the treating Dentist at the time the Dental Procedure is completed.

For example, if the Coverage Percentage shown is "80," that Benefit is 80% of the Maximum Plan Allowance, after satisfaction of any applicable Deductible. In the same example, the Coinsurance (the amount the patient must pay) would be the remaining 20%.

If the Coverage Percentage shown is "0", that Benefit is not provided in this Contract.
